6. Path behind the beach, eastern junctio…
-27.83263, -48.56134

Water: **Unknown**

Mobile signal: **Partial**

Risks and seasonal conditions

Roots and slippery earth in the forest, loose rocks on the descent from the lighthouse to the beach and strong waves on the sand. The lighthouse and Portinho have military area signs: stay outside. The path behind the beach was not checked in the field; if it is flooded, go back past the lighthouse. Emergency: SAMU 192 (ambulance), Bombeiros 193 (fire and rescue).
