6. Praia da Barra da Lagoa
-27.57393, -48.42333

Water: **Unknown**

Mobile signal: **Available**

Risks and seasonal conditions

> Uneven steps, mud after rain and slippery rocks on the shore. No lifeguard on duty: with a north-easterly wind the sea gets rough quickly and the depth reaches 3 m near the rocks. Keep children within arm's reach, away from the wet edge.

Selected highlights only. Read all route details and warnings online; this summary is not complete navigation or safety instructions.
